Additional Information: This fabric was designed with my husband, DJ, to be used in a quilt being made by my mother, Linda Bailey, for DJ's mother, Ruby Trela. Family photos were digitized from prints and slides and arranged in a collage in PickMonkey. PicMonday also provided the background behind the photos. The collage was loaded into Spoonflower. We printed it on a cotton sateen for my mother to use. This was done late winter/spring 2016. For this record, I returned to Spoonflower and placed another order. The \$23/yard was the price in December 2024.
