Additional Information: Information from vendor tag: English cotton lawn with French heirloom lace & entradaux. Antique child dress.

My research:

English cotton lawn: What is cotton lawn fabric in the UK?

Cotton Lawn is a plain weave textile made from cotton. It is designed using high thread count yarns which results in it's silky and untextured feel. It is a lightweight fabric and it can be slightly transparent. It is perfect for sewing dresses, skirts, trousers and tops for the warmer weather.

Entredeux is a French word that means "between two" or "insertion". It comes from the French words entre- and deux, which means "two".

Entredeux may also refer to:

- A sewing technique
- A popular heirloom sewing technique that involves joining pieces of fabric or lace trims together. It can be used to create a vintage effect, between two seams, or to join lace to fabric.
