- Other Descriptions:
 - This set of blocks appears to have been cut from an intact quilt. Evidence for this includes a lack of seam allowances to display points on the squares where it seems to have been cut. Some pieces appear to have needle tracks. Where blocks are still sewn to each other, there are remnants of ties that were used to anchor the top to the batting and backing.
 - Some blocks are still assembled
 - 10 blocks are in a single set (5 x 2 grid)
 - 4 blocks are in a single set (1 x 4 grid)
 - 22 blocks are sewn together as pairs
 - 5 blocks remain as single blocks
