

My work for others:

Small Quilt: 16"x12".

Pieced by Chris Moline, Naperville, IL. Probably between 2010 and 2020.

Fabric: Batiks

Quilted on domestic sewing machine. Ditched with Sulky monofilament. Surface quilting with Glide #60 wt, linen color. Quilted 2026-01-27 by David Bailey, Chicago, IL.

Notes:

I think that the batiks may have bled. The ironing may have caused some of the fabric to brown. I don't think that I scorched the fabric though. I think that this was dirt.
